HIGHLIGHTS OF TASMANIA

12 NIGHT
ESCORTED TOUR

2ND MARCH 2022

— A journey to Tasmania is a rare chance to disconnect from stress and reconnect with the things that matter. In World Heritage wilderness, walk in valleys where Huon pines grow for thousands of years, where rivers meet rare temperate rainforest, and see wildlife that exists nowhere else on Earth.

One of the joys of travelling in Tasmania is not just the chance to taste produce straight from the farm and ocean, but the ease of meeting the makers at cellar doors, farm gates and local markets. This is a place for adventure, however you define it.

This 13 day escorted tour will have you visiting the most sought after experiences Tasmania has to offer.
