Discover a Wild Australian Frontier on the Ultimate Luxury Expedition Cruise

Expertise in the Extraordinary

In 1991, we launched our first Luxury Expedition Cruise to Antarctica on a cutting-edge vessel, inviting only the top experts in their fields to join our Expedition Team. More than 300 voyages later, A&K continues to set the standard in modern-day luxury expedition cruising, creating the most exclusive adventures to the wildest places on earth, including the spectacular Kimberley.

Luxurious, All-Inclusive Cruising

Our Luxury Expedition Cruises are all-inclusive, the A&K way. That means we take care of everything so that you can fully enjoy every breathtaking moment of your voyage. Look forward to engaging lectures and activities led by our award-winning Expedition Team, including Zodiac excursions through the Kimberley's jaw-dropping geological features, guided hikes to caves cloaked in ancient rock art and a helicopter tour over Mitchell Falls. Enjoy everything from an elegant culinary program and open bar to included gratuities, Wi-Fi and our exclusive A&K Traveller's Valet® service, which provides laundry service for up to eight items during your cruise. Even before you set sail, explore the beachfront city of Broome during a two-night stay. All of it's included and just a sampling of what A&K provides.

Active Exploration with All-Inclusive Shore Excursions

Unlike typical cruising, A&K Luxury Expedition Cruises are an invitation to explore. Our unique voyages reflect active and expertly orchestrated itineraries, such as you experience in the Kimberley. Several times throughout your voyage, choose from expertly curated — and always included — excursions, each appealing to a spectrum of travel interests.

MAY 6–7: Arrive Broome, Australia

Poised at the western edge of the Kimberley and hemmed by the blue Indian Ocean, Broome is every bit as daring as its more sparsely populated counterparts. The next day, enjoy exploring this swashbuckling treasure at your leisure, taking in its sweeping beaches, cinematic sunsets and relaxed atmosphere. Then meet your fellow guests and A&K's Expedition Team for a welcome dinner.

MAY 8: Broome | Jewel in the Wilds

Adventure awaits as you set out on your pre-selected excursion, whether it be a city tour of Broome's historic pearling industry and rich multicultural past or a birding walk on Roebuck Bay. Later, board 'Le Laperouse,' your luxury expedition cruiser for the next 10 nights.

'Le Laperouse' | Meals: B L D

MAY 9–13: Kimberley's Wild Coast | Extraordinary Tides

For the next five days, enjoy privileged access to one of the most rarely visited regions in Australia. Each day, inspiring lectures, briefings and stimulating conversations with your Expedition Team elevate your discoveries in the Kimberley, bringing this vast wonderland into focus in a most enriching way. Your Captain and Expedition Team determine the best daily excursions, which may include:

Lacepede Islands: Set atop a coral reef, these four low-lying cay islands are separated from mainland Australia by the Lacepede Channel. The Lacepedes, as they are often called,

are an important nesting site for green sea turtles and several species of seabirds, including brown boobies, red-chested frigate birds, crested terns and speckled ruddy turnstones.

Horizontal Falls: An exciting visit awaits at Horizontal Falls, described by Sir David Attenborough as "one of the greatest natural wonders of the world." Set within Talbot Bay, the horizontally flowing waterfalls are created when massive tidal currents squeeze through two narrow gorges. Experience this captivating phenomenon on a boat excursion.

Montgomery Reef: The Kimberley's theme of extreme tides continues at Montgomery Reef, Australia's largest inshore reef. Board Zodiacs to explore the reef system's lagoons, islets and rushing channels. The climax comes at low tide, when water dramatically cascades off the reef's emerging sandstone platform covered in coralline algae, often revealing astonishing sea life.

Freshwater Cove: Enjoy a guided bushwalk that leads to a cave depicting indigenous rock art. A magnificent display of sacred Wandjina figures, these ancient paintings reveal the ways, myths and traditions of the Worrorra people.

"The Kimberley region is like no other place on the continent; it is its own unique space – unspoiled and ancient. Every day leaves you with the knowledge that you are truly in a special place."

– Brad Climpson; A&K Expedition Leader

Exploring the Incomparable Kimberley

From its impenetrable coastlines to its rugged Outback, the Kimberley reveals a fascinating world of wildlife, rock art and tidal phenomena. These, and more, are among the highlights you may experience.

Aboriginal Rock Art

Discover sacred indigenous rock paintings in two locations only found in Australia's Kimberley.

Horizontal Falls

Experience an exciting excursion to the narrow gorges of Talbot Bay, where tidal currents forge the spectacular two-way Horizontal Falls.

Bungle Bungle Range

Discover the Kimberley's iconic Bungle Bungle range — home to hundreds of beehive-shaped towers — from above on a scenic flight.

Saltwater Crocodile

See "salties," the largest reptiles in the world with a length approaching 7 metres on safely guided excursions.

Helicopter Tour over Mitchell Falls

Fly over the multi-tiered Mitchell Falls, which cascade down a dramatic red escarpment.

Discover Montgomery Reef, Australia's largest inland reef

Mitchell Falls: Take off on an included thrilling helicopter flight over the vast Mitchell Plateau to sandstone-carved Mitchell Falls. Explore the area on foot and perhaps enjoy a refreshing swim in the emerald-coloured freshwater pools formed by the falls.

Hunter River: Join your naturalist guides and navigate by Zodiac through the river's small tributaries, fringed by mangroves and tidal mud flats. Search for crocodiles, mud skippers and fiddler crabs, as well as the many bird species that nest in the dense vegetation.

Bigge Island: Sacred to the indigenous Wunambal people for more than 20,000 years, Bigge Island is home to an incredible array of indigenous rock art. Move beyond its shallow bays to discover its well-preserved Wandjina paintings and visual recordings of the European entrance into this ancient way of life. *'Le Laperouse' | Meals: B L D*

MAY 14: Vansittart Bay | Mysterious Ancient Rock Art
During one of his many survey expeditions, Admiral Phillip Parker King named Vansittart Bay after the pre-1788 Indonesian pottery found there. Conditions permitting, visit Jar Island, home to incredible ancient rock art of mysterious origin. Known as the Bradshaws, the stick-like figures are named for pastoralist Joseph Bradshaw, who first recorded seeing them in 1891. Said to date back as far as 30,000 years, the Bradshaws are among the oldest depictions of human figures in the world. *'Le Laperouse' | Meals: B L D*

MAY 15: King George River & Falls | The King's Treasure
Arrive in Koolama Bay at the mouth of the King George River, named in honour of King George V. Your naturalist guides pilot Zodiacs upriver through a spectacular canyon draped in sandstone cliffs, gorges and mangroves, where you may spy impressive Aussie wildlife such as the saltwater crocodile.

Witness the awe-inspiring King George Falls, plummeting from an elevation of 84 metres. *'Le Laperouse' | Meals: B L D*

MAY 16: Wyndham | Gateway to Natural Wonders
Beautifully poised between Cambridge Gulf and rugged hills in the northernmost region of the Kimberley, the former gold-rush town of Wyndham is the gateway to a bounty of photogenic wetlands. This includes the spectacular Ord River, where you may spot unique birds; the man-made Argyle Dam; and UNESCO World Heritage-listed Purnululu National Park. Choose from a wildlife cruise on the thriving Ord River or a scenic flight over east Kimberley and the Bungle Bungle Range, one of Australia's greatest natural wonders. *'Le Laperouse' | Meals: B L D*

MAY 17: At Sea | The Timor Sea

Enjoy a day at sea and the opportunity to unwind with fellow guests and your Expedition Team while 'Le Laperouse' cruises towards Darwin. Take time to reflect on your adventures, share photos and attend more intriguing presentations. You may also choose to relax and enjoy the ship's facilities, perhaps the spa or the view from your room's private balcony. Later, join your Expedition Team and the new friends you've made for a farewell dinner. *'Le Laperouse' | Meals: B L D*

Baggage

A&K provides portage of up to two (2) pieces of baggage per person. Please note should your journey include internal/domestic or charter flights, your luggage allowance may be less than two (2) pieces of baggage and weight/size restrictions and additional costs may apply.

Details will be provided in your Pre-Travel Documentation. Baggage and personal effects are at the owner's risk throughout the travel program, and A&K assumes no liability for lost or damaged baggage. Please check with your international carrier for other baggage restrictions and fees applicable to your international flights.

Child policy

The minimum age is 7 years old unless noted on the itinerary and all children under age 18 must be accompanied by an adult. Some activities on journeys may require a minimum age to participate. Note that some accommodations require that children below a certain age share a room with an adult.

A parent or guardian travelling alone with a child is recommended to carry documentation that proves their relationship to the child (e.g. birth certificate) and evidence that they have permission to travel with the child (e.g. consent letter). Customers travelling with children who are not related are recommended to carry documentation which provides evidence they have permission to travel with the child. Customers are advised to check with the appropriate government authority to determine the necessary documents required for travel with children. A&K cannot be held responsible should the Customer, child or any member of the travelling party be denied entry to a country due to non-compliance with a country's requirements.

Active elements & conduct

Some active elements have been incorporated into select itineraries. To enjoy the trips as intended, a minimum level of fitness is required. A&K will require prior notice if any participant has any physical or other condition or disability that would prevent them from participating in active elements of any trip and/or could create a hazard to him or herself or to other members of the group. A&K may require guests to produce a doctor's certificate certifying that they are fit to participate. Acting reasonably, if A&K is unable to properly accommodate the need of the person(s) concerned or believes that health and safety may be compromised, A&K reserves the right to refuse participation. The guest represents that neither he nor she nor anyone travelling with him or her has any physical or other condition or disability that could create a hazard to himself or herself or other members of the tour. A&K reserves the right to decline acceptance of anyone whom it considers unsuitable due to fitness level. A&K also reserves the right to remove from the trip, at the participant's own expense, anyone whose physical condition or conduct negatively impacts the enjoyment of the other guests or disrupts the tour. Due to ship restrictions, women over six (6) months pregnant are not permitted to travel on Expedition Cruises.

Special Requirement for Antarctica, Arctic and Kimberley Cruises:

Due to the remote locations, A&K requires proof of a minimum of AU\$200,000 per person in emergency evacuation/repatriation insurance for all Antarctica, Arctic, and Kimberley cruises. Please note emergency evacuation insurance provides for covering the cost associated with emergency evacuation and repatriation up to the limits of the respective policy; however, it does not guarantee the timing, method or mode of such evacuation and repatriation, which is subject to weather, location and other conditions or variables outside of A&K's control.

Passports and visas

It is the guest's sole responsibility to obtain and have available when necessary the appropriate valid travel documents. All guests are advised to check with the appropriate government authority to determine the necessary documents. You may be refused boarding or disembarked from a plane, vessel or train without liability for refund, payment, compensation, or credit of any kind if you do not have proper documentation, and you will be subject to any fine or other costs incurred by A&K which result from improper documentation or noncompliance with applicable regulations.

A&K may charge a reasonable fee to cover the administration costs associated with providing alternative Travel Arrangements or Products.

A&K reserves the right to modify program itineraries, including arranged sightseeing, and substitute accommodation, including vessels, aircraft and trains, at any time due to unforeseen circumstances or circumstances beyond A&K's control. Every effort will be made to operate itineraries as planned, but alterations may occur after the final documents have been provided to the Customer.

For verifiable claims to be considered, they must be received in writing within 30 days of the termination of the program and be accompanied by supporting documentation and/or a statement from the local destination management company verifying the claim. Any adjustment considered will be based on the actual price of the services involved and not on a per diem basis. Adjustments will not be made for unused sightseeing trips or meals. A&K will not accept any liability for any claims that are not received within 30 days of the termination of your travel program.

Photography during travel

A&K reserves the right to take photographs and video of Customers during the operation of any program or part thereof and to use, re-use, publish, and republish their image, identity likeness, name, voice, interview, statements, video clips and sound recordings, and/or photographic portraits or pictures in which customer(s) may be included (an "Image"), for promotional purposes during the program and thereafter. Limits on A&K's responsibility

Neither A&K nor its parent company, affiliates or subsidiaries, nor any of their respective employees, shareholders, officers, directors, successors, representatives, agents and assigns (collectively the "A&K Parties"), owns or operates any entity which is to or does provide goods or services for your trip with the exception of a limited number of vehicles. A&K purchases transportation (by aircraft, coach, train, vessel or otherwise), hotel and other lodging accommodations, restaurant, ground handling and other services from various independent suppliers (including from time to time other affiliated A&K companies). All such persons and entities are independent contractors. As a result, the A&K Parties are not liable for any negligent or wilful act of any such person or entity or of any third person.

In addition and without limitation, the A&K Parties are not responsible for any injury, financial or physical loss, death, inconvenience, delay or damage to personal property in connection with the provision of any goods or services whether resulting from but not limited to acts of God or force majeure, illness, disease, acts of war, civil unrest, insurrection or revolt, animals, strikes or other labour activities, criminal or terrorist activities of any kind, overbooking or downgrading of services, food poisoning, mechanical or other failure of aircraft or other means of transportation or for failure of any transportation mechanism to arrive or depart on time.

There are many inherent risks in adventure travel of the type involved here, which can lead to illness, injury, or even death. These risks are increased by the fact that these trips take place in remote locations, far from medical facilities. Guest assumes all such risks associated with participating in these trips.

If you decide to participate in any activities including, but not limited to, any excursions involving animals, riding on animals, scuba diving, snorkelling,

boating, hot air ballooning, helicopter flights, ziplining, high altitude treks, climbing, quad biking, parasailing, parachuting, kayaking, white-water rafting, jet boat rides, snowmobiling, primate tracking and any other activity which A&K considers to carry inherent risk of serious illness, injury or death ("Activities"), then you fully understand and acknowledge that Activities carry with them various inherent risks, including serious illness, injury or death and you take complete responsibility for your own health and safety and agree to assume all risks of injury, illness or death, whether foreseen or unforeseen, that may befall you as a result of participating in any Activities and agree to release the A&K Parties from any liability whatsoever related thereto.

Further, as consideration for being permitted to participate in the Activities; you release the A&K Parties whether known or unknown, from, and agree not to sue or make claim against the A&K Parties for, property damage, cancellation of any Activities for any reason, illness, negligent rescue operations or procedures, personal injury, or death arising out of your participation in the Activities, and any activity related thereto, including transportation to and from the site of the Activities, regardless of whether such property damage, illness, personal injury, or death results from the negligence of the A&K Parties and/or from any defect in equipment. You further agree to indemnify and hold the A&K Parties harmless with respect to any claim made against the A&K Parties by anyone else which (a) related to your participation in any trip or any Activities, or (b) which would be subject to the above release and covenant not to sue if you had made the claim directly yourself. Upon receipt of notice of the assertion of a claim, the A&K Parties reserve the right to approve, or withdraw approval of, counsel, in its sole discretion.

Nothing in these Terms restricts, limits or modifies the Customer's rights or remedies as a consumer against A&K for failure of a statutory guarantee under the ACL.

Nothing in the Conditions is to be interpreted as excluding, restricting or modifying the application of any relevant State or Federal legislation which cannot be excluded, restricted or modified.

Medical Conditions - the Customer must notify A&K of any pre-existing medical conditions that might reasonably be expected to affect the Travel Arrangements. The Customer agrees and acknowledges that A&K will not be liable for any loss or damage incurred by the Customer as a result of any pre-existing medical condition or health issue of the Customer that may preclude, delay, affect or interfere with the Travel Arrangements.

Health Issues - It is the Customer's sole responsibility to a) obtain any vaccinations or take any other health precautions applicable to the country of travel; b) take all steps reasonably necessary (including, without limitation, the consultation of appropriate medical professionals) to identify whether they have any pre-existing medical conditions or health issues (whether known or unknown) that may preclude, delay, affect or interfere with the Travel Arrangements; and c) notify A&K if the Customer has any pre-existing medical conditions or health issues that may preclude, delay, affect or interfere with the Travel Arrangements.

The Customer must insure themselves for emergency evacuation. A&K strongly recommends the customer also insures themselves against loss of deposit, cancellation charges, medical expenses and loss of personal possessions, and any other foreseeable loss or expense.

The Customer acknowledges and accepts that different places, countries, facilities and tour operators may have lower standards of safety, labelling, warnings and precautions. The Customer is responsible for maintaining personal diligence and safety notwithstanding the level of standards. A&K is not liable for any loss, damage, injury or death that could be avoided if the Australian standards were to apply.

Travel advisories

It is the responsibility of the guest to become informed about the most current travel advisories and warnings by referring to the Australian Government's website at smartraveller.gov.au or by phone to 1300 555 135. In the event of an active Travel Advice against travel to the specific destination location(s) of the trip, should the guest still choose to travel, notwithstanding any travel advisory or warning, the guest assumes all risk of personal injury, death or property damage that may arise out of events like those advised or warned against.
