An aerial photograph of the Cape Wickham Links golf course. The image shows lush green fairways and several sand traps. A white sandy beach curves along the edge of the course, meeting the ocean. The water is a vibrant turquoise color, with darker patches visible beneath the surface. In the upper right, there are several buildings, likely part of the clubhouse or maintenance area, surrounded by more greenery. The overall scene is a beautiful blend of natural coastal beauty and manicured golf course architecture.
