## Australia's Iconic Kimberley

Darwin - Broome departs 20 July & 7 September 2021 | 10 nights

On board *Le Lapérouse* & *Le Bellot* | Solo traveller price from \$18,570 pp<sup>A</sup> in a Deluxe Stateroom.

Alternate itineraries also available with a 30% single supplement charge only, and departs 6 August & 17 September 2021.

ONLY 30%\* SINGLE SUPPLEMENT CHARGE  
ON 4 KIMBERLEY EXPEDITIONS IN 2021

Set sail for the wild and grandiose landscapes of the Kimberley, following this exceptional PONANT itinerary. In one of the most picturesque parts of the region, the Hunter River, you will see wild mangrove forests where saltwater crocodiles live along with many species of birds. The highpoint of this cruise will undoubtedly be the discovery of the King George River and the majestic Twin Falls, the highest single drop waterfall in Western Australia. You will also visit Collier Bay, where you will be able to admire a spectacular example of the impact of the tides cascading in mini-waterfalls as the entire Montgomery Reef appears to rise from the turquoise-blue waters of the bay. Your ship will take you along one of the most spectacular coasts in the entire region. With their falls, abrupt gorges, savannah, and calm waters, the wild lands of the Kimberley are the promise of an exceptional adventure.

### Highlights & Inclusions:

- Join our highly qualified expedition team
- Enjoy regular Zodiac® outings & shore visits to get close to the Kimberley nature
- Discover billions of years-old landscapes & ancient rock art
- Navigation by Zodiac® of the King George River to admire its ancient sandstone gorges and view the spectacular twin falls.
- Explore pristine mangrove environments, home to the world's largest living reptile
- Witness unique tidal phenomena such as the Horizontal Falls
- Opportunity to reach Mitchell Falls by helicopter, on an optional excursion
- In Wyndham, enjoy one of the 3 complimentary excursions (subject to availability): Ord River experience, Bungle Bungle scenic flight or El Questro experience.

## The Essential Kimberley - with National Geographic

Darwin - Darwin | Departs 29 August 2021 on board Le Laperouse  
13 days / 12 nights | Solo traveller price from \$14,170 pp<sup>^</sup> in a Deluxe Stateroom.

Embark on an unforgettable voyage through the grandiose landscapes of the Kimberley with NATIONAL GEOGRAPHIC and PONANT. Set sail from Darwin and journey along one of Australia's most spectacular coastlines, where flora and fauna thrive. This expedition is our most comprehensive Kimberley itinerary, visiting all the emblematic Kimberley sights, and including visits to both Wyndham and Careening Bay. Our Expedition team will take you deeper into the many bays dissecting the picturesque coast, where secret coves are home to ancient galleries of cave art. Sail into the remote Lacepede Islands, a nature reserve and important breeding site for green turtles, and colonies of sea birds. Wildlife and spectacular scenery are in abundance during this Expedition into the Kimberley where you will furthermore be joined by a National Geographic photographer and Expert who will enrich your cruise experience.

### Highlights & Inclusions:

- A cruise in partnership with National Geographic Expeditions offering enrichment with a National Geographic photographer and an Expert.
- Discover billions of years-old landscapes & ancient rock art in Vansittart Bay where you can learn more about aboriginal culture and those who first settled on these sacred lands.
- Explore pristine mangrove environments that hem the King George River, home to an impressive array of wildlife.
- Witness unique tidal phenomena such as the Horizontal Falls and King George Waterfall, as we journey into Collier Bay and the King George River.
- Visit the Lacepede Islands and its incredibly diverse fauna. The islands are especially important as a breeding ground for Green Turtles.
- Enjoy regular Zodiac® outings & shore visits to get close to the Kimberley nature

### Jason Edwards - National Geographic photographer

Award-winning Australian photographer Jason Edwards has been at the forefront of wildlife and environmental photography since beginning his career at the Royal Melbourne Zoo over three decades ago. His work has appeared in hundreds of publications, including National Geographic magazine, BBC Wildlife, Australian Geographic, New York Times, and Condé Nast Traveler; as well as science education books, environmental campaigns, and Hollywood blockbusters. As the face of the National Geographic Channel's Pure Photography, he has taken his storytelling to every continent. Jason is also an associate fellow of the International League of Conservation Photographers, a two-time winner of the Eureka Prize for Science Photography, and winner of the Australian Geographic Society's Pursuit of Excellence Award.
